Part-Time PhD Admission under “Visvesvaraya PhD scheme” for SMDP-C2SD Project

Sponsored by Ministry of Electronics & Information Technology (MeitY), Govt. of India

2018-2019 (July 2018 session)

Ministry of Electronics & Information Technology (MeitY), Govt. of India has granted scholarships under the scheme titled “Visvesvaraya PhD scheme”. Under this scheme presently admissions are open to PhD Degree program on Part Time basis. Applications are invited from Indian nationals for admission to Part-Time PhD Program for the academic year 2018-2019 (July 2018 session), under the above scheme at NIT Puducherry.

This is a special scheme with following features:

Part-time candidates who do not avail of any PhD Fellowship/ scholarship/ stipend from any Central or State Government shall be provided one time incentive of Rs 2,50,000/- on successful completion of the PhD degree.

Currently, part-time students are not being provided any other financial assistance during the duration of their PhD work and this 2.5 lakh is awarded only when they complete their PhD

Specializations in Ph.D Program under the funding:

S. No	Department	Area of Specialization	vacancy details
			Part Time PhD
1.	Electronics and Communication Engineering	Signal Processing / VLSI	01

Under the “Visvesvaraya PhD scheme” it is essential to work on research problems having relevance to Industry. The admission calendar, fee structure, academic rules and regulations will be as per regular PhD admission process of NIT Puducherry.
