

Rules and Regulations for the Training and Placement Process

1. All the eligible and interested students must attend the training process.
2. The students upon successful completion of the training process and the screening test, can register for the placement process.
3. All the registered candidates must appear for the aptitude or any other relevant primary rounds upon instructions from the T&P cell.
4. The students should maintain punctuality in all meetings, registration, Interviews, etc..
5. The students should attend the placement process well groomed in formal attire.
6. The students should maintain discipline and behave professionally well in the interview premises.
7. The students should have their certificates and 5 copies of resume before attending the placement process of every company.
8. The students are responsible for maintaining their attendance without any responsibility upon the T&P cell (OD will not be given for attending the placement process).
9. Any one not obeying to any of the above rules and regulations will be subjected to an inquiry process with a duly constituted panel by the placement-in-charge. The punishment can amount to expulsion from the Training and placement process.
10. People who are not interested in getting placed in a particular company must voluntarily step down after the first round itself.
11. The institute follows one-student one-job policy until 75% of the overall registered students are placed.
12. Companies offering 8 lakhs and above, will be treated as dream offer, and students with no job offer or one job offer will be eligible to attend it.
