NITPY/ACAD/2021/169

Dated 18-August-2021

ADMISSION TO M. Tech. (By Research) PROGRAMMES 2021-2022 (July Session)

National Institute of Technology Puducherry (NITPY) offers research programme leading to the award of **M. Tech. (By Research)** degree. The **M. Tech. (By Research)** programme is broad based and involves course credits requirement and a research Thesis. The institute also encourages research in interdisciplinary areas through a system of joint supervision and provides excellent opportunities for such programs. The institute undertakes sponsored research and development projects from industries and other organizations of the public as well as private sectors. The research work shall be an original work characterized either by the discovery of facts, or by a fresh approach towards the interpretation and application of facts, or development of equipment making a distinct advancement in science & technology. It shall evince the scholar's capacity for critical examination and sound judgment and shall represent original contribution to the existing knowledge. Scholar registered in the M. Tech. (By Research) program have an option to convert to the M. Tech. (By Research) + Ph.D. dual degree program as per the NITPY norms.

The degree of **M. Tech. (By Research)** of the National Institute of Technology Puducherry shall be conferred on a scholar who fulfills all the requirements specified in the regulations. The degree of **M. Tech. (By Research)** will be awarded on the topic of his/her work.

National Institute of Technology Puducherry (NITPY) offers Master of Technology by Research (M. Tech. (By Research)) programme in various departments under the following categories:

1. **Full-time students** in the following discipline

- i. Computer Science and Engineering
 - ii. Electronics and Communication Engineering
 - iii. Electrical and Electronics Engineering
- a. **GATE Scholarships** (subject to the vacant seats available in regular M. Tech. Degree programme after CCMT counseling, (For seat vacancy refer to CCMT2021 website
<https://ccmt.nic.in/WebInfo21/Page/Page?PageId=1&LangId=P>)

- i. Valid GATE score is essential for getting the scholarship.
 - ii. The number of institute fellowships will be limited and shall be available on merit and following reservation norms.
 - iii. A student is expected to devote about eight to ten hours per week towards work assigned to him/her by the department. The renewal of the assistant-ship is contingent on the student's satisfactory academic performance-being regular in attending academic programme and in the discharging of duties as assigned to him/her by the department.
- b. **Sponsored** from industry or other organization including Educational Institutes having MoU with NITPY.
- i. In case of full-time sponsored category, the scholar should be sponsored with salary and allowances and are relieved for a period of not less than two years for pursuing M. Tech. (By Research) Programme.
 - ii. In case the sponsorship is withdrawn, the scholar can continue his/her M. Tech. (By Research) Programme in Self-financed category. Under self-financed category, he/she may apply for the fellowship from other funding agency.

2. Part-time students

- a. **Internal-** Regular employee of National Institute of Technology Puducherry may apply through proper channel

2. ELIGIBILITY

Candidates for admission to the **M. Tech. (By Research)** programme shall have qualified for the Bachelor's degree in the appropriate branch with First Class and not less than 60 % aggregate marks or equivalent CGPA of 6.5/10. In case of SC/ST candidates 55 % aggregate marks or equivalent CGPA of 6.0/10 is the eligibility requirement.

3. SELECTION PROCEDURE

Admission to the M. Tech. (By Research) programme under Full-time and Part-time mode will be based on:
