NATIONAL INSTITUTE OF TECHNOLOGY PUDUCHERRY
KARAIKAL - 609 609.

NOTICE

27-5-2021

The whole nation is facing a challenging situation during this pandemic and Govt. of India is taking various initiatives to overcome the situation. In addition to the restricted lockdown and other precautionary measures, all the state governments across the country have started vaccination for citizen with the age group of +18, through proper registration process. In view of this, we recommend the following

- All the UG/PG/ PhD students are hereby asked to register for vaccination portal at the earliest.
- Try to get vaccinated at your locations/home town.
- Save the vaccination certificates safely.
- Encourage fellow students to get vaccinated.

Your initiatives will help the nation to fight against the pandemic, also in the process of coming back to the campus and to resume your in-campus academic activities in due course of time.
